Terms & Conditions

On making a provisional booking Green Gables will send a booking form, which should be completed by the organiser. Green Gables must receive the completed booking form signed on behalf of the whole group by the date requested. If not received by that date Green Gables may let the space to other groups.

It is anticipated the charges quoted will hold good. If costs or expenses over which Green Gables has no control are increased, Green Gables reserves the right to increase the charges but at least six months notice of any such increase will be given.

Group Bookings consist of a minimum of two nights accommodation with a pre-set number of meals arranged in advance for the whole group by the organiser (single night group bookings are by arrangement).

Bedroom allocations will be sent out 3 months prior to the groups visit.

A £20 non-refundable deposit per place held is required 6 months before the visit. The deposit is necessary to reserve accommodation, if not received by the due date then we will assume the booking is not going ahead and will attempt to resell spaces reserved.

Please note deposits will only be deducted from guests included on the final account

Cancellations within 1 month of the arrival date will be charged at the full amount.

Groups will receive their final account in advance of the visit. Any payments received before departure will qualify for the prompt payment discount.

Payments should be made by a single cheque made payable to 'Green Gables' or in cash.

The allocation of bedrooms and meeting facilities are at the sole discretion of Green Gables. The availability of these facilities is dependent upon numbers booked, other groups & functions.

It may be necessary to vacate bedrooms by 10 a.m. on the day of departure.
